ULCERATED SORE THROAT. Messis A. H. & D. Saxes. Gentlemen.—Feelings of gratifule indoor me to make a public acknowledgment of the bencht. I have derived from the use of your Sarsaparilla. I have for several years been stillieted with scredulous sweelings in my head, which at times would gratier and discharge at my threat, now and care, and it others would break out in different parts of my lace and head. These continued until my throat, here and head were almost one complete sore, and for a long time I was so hourse that it was with the utanist difficulty that I could speak above a winsper. During the time I had several attacks of pleurisy and other discases. It consider different physicians, and tried various remedies, but received no benefit and I commenced using your Sarsaparilla. I am now well; the sores are all healed, and I attribute the result entirely to your valuable medicine.

SARSAPARILLA. The most extraordinary Medicine in the World!

This Extract is put up in Quart Buttles it is six times chapter, pleasanter, and traveleted superior to any said. It cares without counting, purging, sinkening or distintant terms tuting the Patient. The great beauty and superiority of this Sarsaparits over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the very best disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand seared of its wonderful success. It has performed within the last two years more than 100,000 curss of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 10,000 children the past two seasons in the City of New York shote.

York alone.

10,000 cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have has their muscular earry by the affects of modeline or indiscretion committed ir youth or the excessive indelence of the passions, and brought on by physical prostration of the nervous system, issettede, want of andition, fainting sensations, premature deepy and decline hastening towards that fattal discusse Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordini.

As it renews and invigorates the system, gives activity of the limbs, and strength to the muscular system in to the limbs, and degree, most extraordinary degree.

Spitting Bloods.

New York, April 28, 1847.

Dr. Townsend.—I verily believe your Sarasparills have been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became morse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarasparilla a short time, and there has a wonderful change been wrought up. I am now solie to walk all over the city. I raise up his all and thankful for these results. Your obedient servant.

CHERRY PECTORAL:

For the Cure of COUGHS, COLDS HOARSENESS, BRON-CHITIS, OROUP, ASTH-MA, WHOOPING-COUGH AND CONSUMPTION.

This truly valuable Remedy for all diseases of the Lungs and Throat, has become the chief reliance of the afflicted and it is the most certain cure known for the above complaints. While it is a powerful remethe afflicted and it is the most certain cure known for the above complaints. While it is a powerful reme-dial agent in the most desperate and almost hopeless cases of Consumption, it is also, in diminished doses, one of the mildest and most agreeable lamily medi-cines for common coughs and coids. Read below the opinion of men who are known to the world, and the world respect their princips. the world respect their opinions.

FROM PROFESSOR HITCHCOCK. "James C. Ayer—Sir: I have used your 'CHER-RY PECTORAL,' in my own case of deep-seated Bronchitis, and am satisfied from its chemical consti-tution that it is an admirable compound for the relief of laryngial and bronchial difficulties. If my opinion as to its superior character can be of any service you are at liberty to use it as you think proper.
EDIVARD HITCHCOCK Lt. D.

President of Amherst College, From the "LONDON PANCET" " AYER'S CHERRY PECTORAL is one of the most valuable preparations that has fallen under our notice. After a careful examination, we do not hes-itate to say we have a large appreciation of its merits and the fallest confidence in its usefulness for coughs and long complaints."
